- 9. Shipping Containers (Sea Cans)**

There were minimal responses via the blanket request through AMANS. CAO Brown will be reaching out Monday and Tuesday to other jurisdictions in Canada to see what they use to allow or restrict shipping containers. A report will be available Tuesday evening.

(Just a note of point: if the Committee and Council wish to move forward with this, it will necessitate a review the current Land Use Planning By-Law as the shipping container item applies to all other municipalities in Pictou County, therefore if Westville is to be singled out, that will need to be amended to reflect such.)
